Item 5.07 Submission of Matters to a Vote of Security Holders.

On May 2, 2024, the Company held its 2024 Annual Meeting of Stockholders (the “Annual Meeting”). As of March 1, 2024, the record date for the Annual Meeting, there were 188,372,754 shares of the Company’s common stock, \$0.00025 par value per share (the “Common Stock”), issued and outstanding and entitled to vote at the Annual Meeting. Each such outstanding share of Common Stock entitled its holder to cast one vote on each proposal to be voted on during the Annual Meeting.

At the Annual Meeting, the Company’s stockholders (i) elected nine directors to the Board of Directors of the Company (the “Board”) to serve until the Company’s 2025 annual meeting of stockholders, (ii) approved, on a non-binding advisory basis, the compensation of the Company’s named executive officers, and (iii) ratified the appointment of Deloitte & Touche LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2024. The proposals are described in the Company’s proxy statement for the Annual Meeting, which was filed with the Securities and Exchange Commission on March 22, 2024. The final voting results for each proposal are set forth below.

Proposal 1: Election of Directors

The officer holding the proxies solicited in connection with the Annual Meeting voted the shares as designated on the proxy, or if no such designation was made, in favor of the election of the nominees. At the Annual Meeting, the shareholders elected each of the nine director nominees, by the vote indicated below, to serve as a director until the Company’s annual meeting of stockholders to be held in 2024, or until his or her respective successor is duly elected and qualified:

| Nominee | Votes For | Votes Against | Abstained | Broker Non-Votes |
|------------------------|----------------|---------------|------------|------------------|
| Laurie A. Hawkes | 134,661,362.49 | 2,361,072.00 | 165,867.00 | 19,176,612.00 |
| John D. Moragne | 135,214,929.49 | 1,803,569.00 | 169,803.00 | 19,176,612.00 |
| Denise Brooks-Williams | 134,927,993.49 | 2,119,201.00 | 141,107.00 | 19,176,612.00 |
| Michael A. Coke | 135,177,651.49 | 1,766,167.00 | 244,483.00 | 19,176,612.00 |
| Jessica Duran | 135,260,454.49 | 1,719,482.00 | 208,365.00 | 19,176,612.00 |

| Shekar Narasimhan | 134,253,714.49 | 2,688,261.00 | 246,326.00 | 19,176,612.00 |
| James H. Watters | 130,399,853.49 | 6,559,787.00 | 228,661.00 | 19,176,612.00 |

Proposal 2: Say on Pay

At the Annual Meeting, the Company’s stockholders approved, on a non-binding advisory basis, the compensation paid to the Company’s named executive officers. The table below sets forth the voting results for this proposal:

| Votes For | Votes Against | Abstained | Broker Non-Votes |
|----------------|---------------|------------|------------------|
| 131,078,611.49 | 5,792,938.00 | 316,752.00 | 19,176,612.00 |

In accordance with the Board’s prior determination to hold an advisory “say on pay” vote every year, subject to stockholder approval, and the stockholders' indication that their preferred frequency is also to hold a “say on pay” vote every year, the Company will maintain its previously adopted annual “say on pay” policy.

Proposal 3: Ratification of the Appointment of Deloitte & Touche LLP as the Company’s Independent Registered Public Accounting Firm for the Fiscal Year Ending December 31, 2024

At the Annual Meeting, the Company’s stockholders ratified the appointment of Deloitte & Touche LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2024, as set forth below:

(b) Each director shall hold office until the next annual meeting of stockholders and until his or her successor is duly elected and qualified. Directors may be elected to an unlimited number of successive terms.

quorum, and any Director elected to fill a vacancy shall serve for the remainder of the full term of the directorship in which such vacancy occurred. Except as provided by law, the Stockholders may elect a successor to fill a vacancy on the Board which results from the removal of a Director. Vacancies among the Independent Directors' positions shall be filled by individuals who would be Independent Directors. No reduction in the number of Directors shall cause the removal of any Director from office prior to the expiration of his or her term, except as may otherwise be provided in the terms of any Preferred Shares.

Section 5.2. General Powers of the Board. The business and affairs of the Corporation shall be managed under the direction of the Board. The Board shall monitor the administrative procedures, investment operations and performance of the Corporation and the Operating Company. The Board may take any action that, in its sole judgment and discretion, is necessary or desirable to conduct the business of the Corporation. The charter of the Corporation (the "Charter") shall be construed with a presumption in favor of the grant of power and authority to the Board. The enumeration and definition of particular powers of the Board included in this Article V shall in no way be construed in any manner to exclude or limit the powers conferred upon the Board under the general laws of the State of Maryland as now or hereafter in force.

Section 5.3. Authorization by Board of Stock Issuance. The Board may authorize the issuance from time to time of shares of Capital Stock of the Corporation of any class or series, whether now or hereafter authorized, or securities or rights convertible into shares of its Capital Stock of any class or series, whether now or hereafter authorized, for such consideration as the Board may deem advisable (or without consideration in the case of a stock split or stock dividend), subject to such restrictions or limitations, if any, as may be set forth in the Charter or the Bylaws.

Section 5.4. Determinations by Board. The determination as to any of the following matters, made in good faith by or pursuant to the direction of the Board or any committee of the Board consistent with the Charter and in the absence of actual receipt of an improper benefit in money, property or services or active and deliberate dishonesty established by a court, shall be final and conclusive and shall be binding upon the Corporation and every Holder of shares of its Capital Stock: the amount of the net income of the Corporation for any period and the amount of assets at any time legally available for the payment of Distributions on its Capital Stock and to members of the Operating Company, or repurchase or redemption of its Capital Stock; the amount of paid-in surplus, net assets, other surplus, annual or other net profit, net assets in excess of capital, undivided profits or excess of profits over losses on sales of assets; the amount, purpose, time of creation, increase or decrease, alteration or cancellation of any reserves or charges and the propriety thereof (whether or not any obligation or liability for which such reserves or charges shall have been created shall have been paid or discharged); the fair value, or any sale, bid or asked price to be applied in determining the fair value, of any asset owned or held by the Corporation; and any matters relating to the acquisition, holding and disposition of any assets by the Corporation.

To the fullest extent provided under Section 2-104(b)(9) of the MGCL, the Board may, but is not required, in considering a potential acquisition by any Person of control of the Corporation or substantially all of its assets, to consider the effect of the potential acquisition: (i) Holders, employees, suppliers, customers, and creditors of the Corporation, and (ii) the communities in

which the offices of the Corporation or the properties owned, directly or indirectly, by it are located.

Section 5.5. REIT Qualification. If the Corporation elects to qualify for federal income tax treatment as a REIT, the Board shall use its reasonable best efforts to take such actions as are necessary or appropriate to preserve the status of the Corporation as a REIT; however, if the Board determines that it is no longer in the best interests of the Corporation to continue to be qualified as a REIT, the Board may revoke or otherwise terminate the Corporation's REIT election pursuant to Section 856(g) of the Code. The Board also may determine that compliance with any restriction or limitation set forth in the Charter which is intended to preserve the status of the Corporation as a REIT, including, without limitation, the restrictions and limitations on ownership and transfers of Capital Stock set forth in Article VII, is no longer required for REIT qualification and may waive compliance with any such restriction or limitation at any time or from time to time with respect to any Holder to the extent approved by the Board.

ARTICLE VI STOCK

Section 6.1. Authorized Shares. The total number of shares of Capital Stock that the Corporation shall have authority to issue is 520,000,000, of which (i) 500,000,000 shares shall be designated as common stock, \$0.00025 par value per share ("**Common Stock**"), and 20,000,000 shares shall be designated as preferred stock, \$0.001 par value per share ("**Preferred Stock**"). The aggregate par value of all authorized shares of Capital Stock having par value is \$145,000.00. The Board, with the approval of a majority of the directors and without any action by the stockholders of the Corporation, may amend the Charter from time to time to increase or decrease the aggregate number of shares of Capital Stock or the number of shares of Capital Stock of any class or series that the Corporation has the authority to issue.

Section 6.2. Common Stock. Subject to the provisions of Article VII, each share of Common Stock shall entitle the Holder thereof to one vote. The Board may reclassify any unissued shares of Common Stock from time to time in one or more classes or series of Capital Stock.

Section 6.3. Preferred Stock. The Board may classify any unissued shares of Preferred Stock and reclassify any previously classified but unissued shares of Preferred Stock of any series from time to time in one or more series of Capital Stock.

Section 6.4. Classified or Reclassified Shares. Prior to the issuance of classified or reclassified shares of any class or series, the Board by resolution shall: (a) designate that class or series to distinguish it from all other classes and series of Capital Stock of the Corporation; (b) specify the number of shares to be included in the class or series; (c) set or change, subject to the provisions of Article VII and subject to the express terms of any class or series of Capital Stock of the Corporation outstanding at the time, the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other Distributions, qualifications and terms and conditions of redemption for each class or series; and (d) cause the Corporation to file articles supplementary with the State Department of Assessments and Taxation of Maryland with respect to such class or series. Any of the terms of any class or series of Capital Stock set or changed

pursuant to clause (c) of this Section 6.4 may be made dependent upon facts or events ascertainable outside the Charter (including determinations by the Board or other facts or events within the control of the Corporation) and may vary among Holders thereof, provided that the manner in which such facts, events or variations shall operate upon the terms of such class or series of Capital Stock is clearly and expressly set forth in the articles supplementary filed with the State Department of Assessments and Taxation of Maryland.

Section 6.5. Charter and Bylaws. All Persons who shall acquire Capital Stock in the Corporation shall acquire the same subject to the provisions of the Charter and the Bylaws.

Section 6.6. No Preemptive Rights. Except as may be provided by the Board in setting the terms of classified or reclassified shares of Capital Stock pursuant to Section 6.4, no Holder of shares of Capital Stock of the Corporation shall, as such Holder, have any preemptive right to purchase or subscribe for any additional shares of Capital Stock of the Corporation or any other security of the Corporation which it may issue or sell.

Section 6.7. Issuance of Shares Without Certificates. The Board may authorize the issuance of shares of Capital Stock without certificates. The Corporation shall treat the Holder of uncertificated Capital Stock registered on its stock ledger as the owner of the shares noted therein until receipt of appropriate evidence of transfer in accordance with the terms of the By-laws of the Corporation.

Section 6.8. Distributions. The Board from time to time may authorize the Corporation to declare and pay to Holders such Distributions in cash or other assets of the Corporation or in Securities of the Corporation or from any other source as the Board in its discretion shall determine. To the extent permitted under applicable law, the Board shall endeavor to authorize the Corporation to declare and pay such Distributions as shall be necessary for the Corporation to qualify as a REIT under the REIT Provisions of the Code unless the Board has determined, in its sole discretion, that qualification as a REIT is not in the best interests of the Corporation; provided, however, Holders shall have no right to any Distribution unless and until authorized by the Board and declared by the Corporation. The Board shall authorize and direct the Operating Company to make distributions to its members on the same basis as Distributions declared and paid with respect to the Common Stock. The exercise of the powers and rights of the Board pursuant to this section shall be subject to the provisions of any class or series of shares of Capital Stock at the time outstanding. The receipt by any Person in whose name any Shares of Capital Stock are registered on the records of the Corporation or by his or her duly authorized agent shall be a sufficient discharge for all Distributions payable or deliverable in respect of such shares of Capital Stock and from all liability to see to the application thereof. Distributions in kind shall not be permitted, except for: (a) distributions of readily marketable Securities, (b) distributions of beneficial interests in a liquidating trust established for the dissolution of the Corporation and the liquidation of its assets in accordance with the terms of the Charter, or (c) distributions in which: (i) the Board advises each stockholder of the risks associated with direct ownership of the property, (ii) the Board offers each stockholder the election of receiving such in-kind distributions, and (iii) in-kind distributions are made only to those Holders that accept such offer.

Section 6.9. Distribution Reinvestment Plans. The Corporation may establish, from time to time, a plan or plans for the reinvestment of Distributions made with respect to Capital Stock, and distributions made by the Operating Company with respect to its membership units, in Securities of the Corporation.

Section 6.10. Repurchase of Shares. The Corporation may establish, from time to time, a program or programs by which the Corporation voluntarily repurchases shares of its Capital Stock from its stockholders; provided, however, that such repurchase does not violate Section 2-311 of the MGCL.

Section 6.11. Business Combination Statute. The Maryland Business Combination Act, found in Title 3, Subtitle 6 of the MGCL, as amended from time to time, or any successor statute thereto, shall not apply to any “business combination” (as defined in Section 3-601(e) of the MGCL, as amended from time to time, or any successor statute thereto) between the Corporation and any Person.

Section 6.12. Control Share Acquisition Act. The Maryland Control Share Acquisition Act, found in Title 3, Subtitle 7 of the MGCL, as amended from time to time, or any successor statute thereto, shall not apply to any acquisition of Securities of the Corporation by any Person.

Section 6.13. Maryland Unsolicited Takeovers Act. The Corporation is prohibited from electing to be subject to Sections 3-803, 3-804 and 3-805 of the MGCL, or any provision thereof, unless and to the extent such election, or the right of the Corporation to make such election, is first approved by the affirmative vote of at least a majority of the votes cast on the matter by stockholders of the Corporation entitled to vote generally in the election of directors.

(ii) No Person shall Beneficially Own or Constructively Own shares of Capital Stock to the extent that such Beneficial Ownership or Constructive Ownership of Capital Stock would result in the Corporation being “closely held” within the meaning of Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year), or otherwise failing to qualify as a REIT (including, but not limited to, Beneficial Ownership or Constructive Ownership that would result in the Corporation owning (actually or Constructively) an interest in a tenant that is described in Section 856(d)(2)(B) of the Code if the income derived by the Corporation from such tenant would cause the Corporation to fail to satisfy any of the gross income requirements of Section 856(c) of the Code).

(iii) Notwithstanding any other provisions contained herein, any Transfer of shares of Capital Stock that, if effective, would result in the Capital Stock being Beneficially Owned by fewer than 100 Persons (determined under the principles of Section 856(a)(5) of the Code) shall be void ab initio, and the intended transferee shall acquire no rights in such shares of Capital Stock; provided, however, that the Board may waive this Section 7.2.1(a)(iii) if, in the opinion of the Board, such Transfer would not adversely affect the Corporation’s ability to qualify as a REIT.

(b) Transfer in Trust. If any Transfer of shares of Capital Stock occurs that, if effective, would result in any Person Beneficially Owning or Constructively Owning shares of Capital Stock in violation of Section 7.2.1(a)(i) or Section 7.2.1(a)(ii):

(i) then that number of shares of Capital Stock the Beneficial Ownership or Constructive Ownership of which otherwise would cause such Person to violate Section 7.2.1(a)(i) or Section 7.2.1(a)(ii) (rounded to the nearest whole share) shall be automatically transferred to a Trust for the benefit of a Charitable Beneficiary, as described in Section 7.3, effective as of the close of business on the Business Day prior to the date of such Transfer and such Person shall acquire no rights in such shares; provided, however,

(ii) if the transfer to the Trust described in clause (i) of this sentence would not be effective for any reason to prevent the violation of Section 7.2.1(a)(i) or Section 7.2.1(a)(ii), then the Transfer of that number of shares of Capital Stock that otherwise would cause any Person to violate Section 7.2.1(a)(i) or Section 7.2.1(a)(ii) shall be void ab initio and the intended transferee shall acquire no rights in such shares of Capital Stock.

Section 7.2.2. Remedies for Breach. If the Board shall at any time determine in good faith that a Transfer or other event has taken place that results in a violation of Section 7.2.1(a) or that a Person intends to acquire or has attempted to acquire Beneficial Ownership or Constructive Ownership of any shares of Capital Stock in violation of Section 7.2.1(a) (whether or not such violation is intended), the Board or a committee thereof shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, without limitation, causing the Corporation to redeem shares, refusing to give effect to such Transfer on the books of the Corporation or instituting proceedings to enjoin such Transfer or other event; provided, however, that any Transfers or attempted Transfers or other events in violation of Section 7.2.1(a) shall automatically result in the transfer to the Trust described above and, where applicable, such Transfer (or other event) shall be void ab initio as provided above, irrespective of any action (or non-action) by the Board.

Section 7.2.3. Notice of Restricted Transfer. Any Person who acquires or attempts or intends to acquire Beneficial Ownership or Constructive Ownership of shares of Capital Stock that will or may violate Section 7.2.1(a) or any Person who would have owned shares of Capital Stock that resulted in a transfer to the Trust pursuant to the provisions of Section 7.2.1(b) shall immediately give written notice to the Corporation of such event or, in the case of such a proposed or attempted transaction, give at least 15 days prior written notice and shall provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such Transfer on the Corporation's status as a REIT.

Section 7.2.4. Owners Required to Provide Information. From the Initial Date and prior to the Restriction Termination Date:

(a) every owner of more than five percent (or such other percentage as required by the Code or the Treasury Regulations promulgated thereunder) of the outstanding shares of Capital Stock, within 30 days after the end of each taxable year, shall give written notice

to the Corporation stating the name and address of such owner, the number of shares of Capital Stock and other shares of the Capital Stock Beneficially Owned and a description of the manner in which such shares are held. Each such owner shall provide to the Corporation such additional information as the Corporation may request in order to determine the effect, if any, of such Beneficial Ownership on the Corporation's status as a REIT and to ensure compliance with the Aggregate Stock Ownership Limit.

(b) each Person who is a Beneficial Owner or Constructive Owner of Capital Stock and each Person (including the stockholder of record) who is holding Capital Stock for a Beneficial Owner or Constructive Owner shall provide to the Corporation such information as the Corporation may request, in good faith, in order to determine the Corporation's status as a REIT and to comply with requirements of any taxing authority or governmental authority or to determine such compliance.

Section 7.2.5. Remedies Not Limited. Subject to Section 5.7, nothing contained in this Section 7.2 shall limit the authority of the Board to take such other action as it deems necessary or advisable to protect the Corporation and the interests of its stockholders in preserving the Corporation's status as a REIT.

Section 7.2.6. Ambiguity. In the case of an ambiguity in the application of any of the provisions of this Section 7.2, Section 7.3 or any definition contained in Section 7.1, the Board shall have the power to determine the application of the provisions of this Section 7.2 or Section 7.3 with respect to any situation based on the facts known to it. In the event Section 7.2 or Section 7.3 requires an action by the Board and the Charter fails to provide specific guidance with respect to such action, the Board shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of Sections 7.1, 7.2 or 7.3.

Section 7.2.7. Exceptions.

(a) Subject to Section 7.2.1(a)(ii), the Board, in its sole discretion, may exempt a Person from the Aggregate Stock Ownership Limit and the Common Stock Ownership Limit, as the case may be, and may establish or increase an Excepted Holder Limit for such Person if:

(i) the Board obtains such representations and undertakings from such Person as are reasonably necessary to ascertain that no Person's Beneficial Ownership or Constructive Ownership of such shares of Capital Stock will violate Section 7.2.1(a)(ii);

(ii) such Person does not and represents that it will not own, actually or Constructively, an interest in a tenant of the Corporation (or a tenant of any entity owned or controlled by the Corporation) that would cause the Corporation to own, actually or Constructively, more than a 9.9% interest (as set forth in Section 856(d)(2)(B) of the Code) in such tenant and the Board obtains such representations and undertakings from such Person as are reasonably necessary to ascertain this fact (for this purpose, a tenant from whom the Corporation (or an entity owned or controlled by the Corporation) derives (and is expected to continue to derive) a sufficiently small amount of revenue such that, in the opinion of the Board, rent from

such tenant would not adversely affect the Corporation's ability to qualify as a REIT shall not be treated as a tenant of the Corporation); and

(iii) such Person agrees that any violation or attempted violation of such representations or undertakings (or other action which is contrary to the restrictions contained in Sections 7.2.1 through 7.2.6) will result in such shares of Capital Stock being automatically transferred to a Trust in accordance with Section 7.2.1(b) and Section 7.3.

(b) Prior to granting any exception pursuant to Section 7.2.7(a), the Board may require a ruling from the Internal Revenue Service or an opinion of counsel, in either case, in form and substance satisfactory to the Board in its sole discretion, as it may deem necessary or advisable in order to determine or ensure the Corporation's status as a REIT. Notwithstanding the receipt of any ruling or opinion, the Board may impose such conditions or restrictions as it deems appropriate in connection with granting such exception.

(c) Subject to Section 7.2.1(a)(ii), an underwriter which participates in a public offering or a private placement of Capital Stock (or securities convertible into or exchangeable for Capital Stock) may Beneficially Own or Constructively Own shares of Capital Stock (or securities convertible into or exchangeable for Capital Stock) in excess of the Aggregate Stock Ownership Limit, the Common Stock Ownership Limit or both such limits, but only to the extent necessary to facilitate such public offering or private placement.

(d) The Board may only reduce the Excepted Holder Limit for an Excepted Holder: (i) with the written consent of such Excepted Holder at any time or (ii) pursuant to the terms and conditions of the agreements and undertakings entered into with such Excepted Holder in connection with the establishment of the Excepted Holder Limit for that Excepted Holder. No Excepted Holder Limit shall be reduced to a percentage that is less than the Common Stock Ownership Limit.

Section 7.2.8. Increase in Aggregate Stock Ownership Limit and Common Stock Ownership Limit. The Board may from time to time increase the Common Stock Ownership Limit and the Aggregate Stock Ownership Limit.

Section 7.2.9. Notice of Restrictions on Transferability. Each Holder of an uncertificated share shall be sent a full statement about certain restrictions on transferability on request and without charge.

Section 7.3. Transfer of Capital Stock in Trust.

Section 7.3.1. Ownership in Trust. Upon any purported Transfer or other event described in Section 7.2.1(b) that would result in a transfer of shares of Capital Stock to a Trust, such shares of Capital Stock shall be deemed to have been transferred to the Trustee as trustee of a Trust for the exclusive benefit of one or more Charitable Beneficiaries. Such transfer to the Trustee shall be deemed to be effective as of the close of business on the Business Day prior to the purported Transfer or other event that results in the transfer to the Trust pursuant to Section 7.2.1(b). The Trustee shall be appointed by the Corporation and shall be a Person unaffiliated with

the Corporation and any Prohibited Owner. Each Charitable Beneficiary shall be designated by the Corporation as provided in Section 7.3.6.

Section 7.3.2. Status of Shares Held by the Trustee. Shares of Capital Stock held by the Trustee shall be issued and outstanding shares of Capital Stock of the Corporation. The Prohibited Owner shall have no rights in the shares held by the Trustee. The Prohibited Owner shall not benefit economically from ownership of any shares held in trust by the Trustee and shall have no rights to dividends or other distributions attributable to the shares held in the Trust.

Section 7.3.3. Distributions and Voting Rights. The Trustee shall have all voting rights and rights to distributions with respect to shares of Capital Stock held in the Trust, which rights shall be exercised for the exclusive benefit of the Charitable Beneficiary. Any distribution paid prior to the discovery by the Corporation that the shares of Capital Stock have been transferred to the Trustee shall be paid by the recipient of such distribution to the Trustee upon demand, and any distribution authorized but unpaid shall be paid when due to the Trustee. Any distribution so paid to the Trustee shall be held in trust for the Charitable Beneficiary. The Prohibited Owner shall have no voting rights with respect to shares held in the Trust, and, subject to Maryland law, effective as of the date that the shares of Capital Stock have been transferred to the Trustee, the Trustee shall have the authority with respect to the shares held in the Trust (at the Trustee's sole discretion): (a) to rescind as void any vote cast by a Prohibited Owner prior to the discovery by the Corporation that the shares of Capital Stock have been transferred to the Trustee, and (b) to recast such vote in accordance with the desires of the Trustee acting for the benefit of the Charitable Beneficiary; provided, however, that if the Corporation has already taken corporate action based upon the outcome of such vote, then the Trustee shall not have the authority to rescind and recast such vote. Notwithstanding the provisions of this Article VII, until the Corporation has received notification that shares of Capital Stock have been transferred into a Trust, the Corporation shall be entitled to rely on its share transfer and other stockholder records for purposes of preparing lists of stockholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes of stockholders.

Section 7.3.4. Sale of Shares by Trustee. Within 20 days of receiving notice from the Corporation that shares of Capital Stock have been transferred to the Trust, the Trustee of the Trust shall sell the shares held in the Trust to a Person, designated by the Trustee, whose ownership of the shares will not violate the ownership limitations set forth in Section 7.2.1(a). In connection with any such sale, the Trustee shall use good faith efforts to sell such shares at a fair market price. Upon such sale, the interest of the Charitable Beneficiary in the shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner and to the Charitable Beneficiary as provided in this Section 7.3.4. The Prohibited Owner shall receive the lesser of: (a) the price paid by the Prohibited Owner for the shares or, if the Prohibited Owner did not give value for the shares in connection with the event causing the shares to be held in the Trust (*e.g.*, in the case of a gift, devise or other such transaction), the Market Price of the shares on the day of the event causing the shares to be held in the Trust, or (b) the price per share received by the Trustee from the sale or other disposition of the shares held in the Trust. Any net sale proceeds in excess of the amount payable to the Prohibited Owner shall be immediately paid to the Charitable Beneficiary. If, prior to the discovery by the Corporation that shares of Capital Stock have been transferred to the Trustee, such shares are sold by a Prohibited Owner, then (i) such shares shall

be deemed to have been sold on behalf of the Trust and (ii) to the extent that the Prohibited Owner received an amount for such shares that exceeds the amount that such Prohibited Owner was entitled to receive pursuant to this Section 7.3.4, such excess shall be paid to the Trustee upon demand.

Section 7.3.5. Purchase Right in Stock Transferred to the Trustee. Shares of Capital Stock transferred to the Trustee shall be deemed to have been offered for sale to the Corporation, or its designee, at a price per share equal to the lesser of: (a) the price per share in the transaction that resulted in such transfer to the Trust (or, in the case of a devise or gift, the Market Price at the time of such devise or gift); or (b) 95% of the Market Price on the date the Corporation, or its designee, accepts such offer. The Corporation shall have the right to accept such offer until the Trustee has sold the shares held in the Trust pursuant to Section 7.3.4. Upon such a sale to the Corporation, the interest of the Charitable Beneficiary in the shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner.

Section 7.3.6. Designation of Charitable Beneficiaries. By written notice to the Trustee, the Corporation shall designate one or more nonprofit organizations to be the Charitable Beneficiary of the interest in the Trust such that (a) the shares of Capital Stock held in the Trust would not violate the restrictions set forth in Section 7.2.1(a) in the hands of such Charitable Beneficiary and (b) each such organization must be described in Section 501(c)(3) of the Code and contributions to each such organization must be eligible for deduction under each of Sections 170(b)(1)(A), 2055 and 2522 of the Code.

Section 7.4. **Settlement.** Nothing in this Article VII shall preclude the settlement of any transaction entered into through the facilities of any national securities exchange or automated inter-dealer quotation system. The fact that the settlement of any transaction is so permitted shall not negate the effect of any other provision of this Article VII and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Article VII.

Section 7.5. **Enforcement.** The Corporation is authorized specifically to seek equitable relief, including injunctive relief, to enforce the provisions of this Article VII.

Section 7.6. **Non-Waiver.** No delay or failure on the part of the Corporation or the Board in exercising any right hereunder shall operate as a waiver of any right of the Corporation or the Board, as the case may be, except to the extent specifically waived in writing.

ARTICLE VIII STOCKHOLDERS

Section 8.1. **Amendment of the Charter.** Except for any amendment to Article VII or Section 8.2 of the Charter, and except for those amendments permitted to be made without Stockholder approval under Maryland law or by specific provision in the Charter, any amendment to the Charter shall be valid only if declared advisable by the Board and approved by the affirmative vote of a majority of all votes entitled to be cast on the matter. Any amendment to Article VII or Section 8.2 of the Charter or to this sentence shall be valid only if declared advisable

by the Board and approved by the affirmative vote of two-thirds of all votes entitled to be cast on the matter.

Section 8.2. Extraordinary Actions. Except as provided in Section 8.1 above, notwithstanding any provision of law permitting or requiring any action to be taken or approved by the affirmative vote of the Stockholders entitled to cast a greater number of votes, any such action shall be effective and valid if taken or approved by the affirmative vote of Stockholders entitled to cast a majority of all the votes entitled to be cast on the matter.

**ARTICLE IX
[RESERVED]**

**ARTICLE X
LIMITATION OF LIABILITY**

Section 10.1. Limitation of Director and Officer Liability. To the maximum extent that Maryland law in effect from time to time permits limitation of the liability of directors and officers of a corporation, no director or officer of the Corporation shall be liable to the Corporation or its stockholders for money damages. Neither the amendment nor repeal of this Section 10.1, nor the adoption or amendment of any other provision of the Charter or Bylaws inconsistent with this Section 10.1, shall apply to or affect in any respect the applicability of the preceding sentence with respect to any act or failure to act which occurred prior to such amendment, repeal or adoption.

Section 10.2. Indemnification.

(a) The Corporation shall to the maximum extent permitted by Maryland law in effect from time to time indemnify and pay or reimburse reasonable expenses in advance of the final disposition of a proceeding to (i) any individual who is a present or former director or officer of the Corporation; or (ii) any individual who, while a director of the Corporation and at the request of the Corporation, serves or has served as a director, officer, partner or trustee of another corporation, partnership, joint venture, trust, employee benefit plan or any other enterprise from and against any claim or liability to which such person may become subject or which such person may incur by reason of his or her service in such capacity. The Corporation shall have the power, with the approval of the Board, to provide such indemnification and advancement of expenses to any employee or agent of the Corporation.

(b) No amendment of the Charter or repeal of any of its provisions shall limit or eliminate the right of indemnification or advancement of expenses provided hereunder with respect to acts or omissions occurring prior to such amendment or repeal.

Section 10.2.1. [Reserved].

Section 10.2.2. Permitted Indemnification of Directors.

(a) In addition to, and not in limitation of, the other provisions of this Article X, the Corporation may indemnify any director made a party to any proceeding by reason of service in that capacity unless it is established that:

(i) The act or omission of the director was material to the matter giving rise to the proceeding and was committed in bad faith, or was the result of active and deliberate dishonesty; or

(ii) The director actually received an improper personal benefit in money, property, or services; or

(iii) In the case of any criminal proceeding, the director had reasonable cause to believe that the act or omission was unlawful.

(b) Indemnification may be against judgments, penalties, fines, settlements, and reasonable expenses actually incurred by the director in connection with the proceeding including, without limitation, investigation, defense, settlement, and appeal of the claim giving rise to such proceeding. If, however, the proceeding was by or in the right of the Corporation, indemnification may not be made in respect of any proceeding in which the director shall have been adjudged to be liable to the Corporation.

(c) The termination of any proceeding by judgment, order, or settlement does not create a presumption that the director did not meet the requisite standard of conduct set forth in this subsection. The termination of any proceeding by conviction, or a plea of *nolo contendere* or its equivalent, or an entry of an order of probation prior to judgment, creates a rebuttable presumption that the director did not meet that standard of conduct.

(d) The Corporation may not indemnify a director or advance expenses under this section for a proceeding brought by that director against the Corporation, except:

(i) For a proceeding brought to enforce indemnification under this section; or

(ii) If the Charter, the Bylaws, a Board resolution or an agreement approved by the Board to which the corporation is a party expressly provides otherwise.

Section 10.2.3. No Indemnification of Director. A director may not be indemnified under Section 10.2.1 in respect: (i) to any proceeding charging improper personal benefit to the director, whether or not involving action in the director's official capacity, in which the director was adjudged by the final, non-appealable judgment of a court of competent jurisdiction to be liable on the basis that personal benefit was improperly received; or (ii) to any proceeding where the director is found by a court of law to be guilty of a felony directly related to his or her dealings with the Corporation.

Section 10.2.4. Required Indemnification Against Expenses Incurred in Successful Defense. A director who has been successful, on the merits or otherwise, in the defense of any

proceeding referred to in Section 10.2.1, or in the defense of any claim, issue, or matter in the proceeding, shall be indemnified against reasonable expenses incurred by the director in connection with the proceeding, claim, issue, or matter in which the director has been successful.

Section 10.2.5. Determination that Indemnification is Proper.

(a) Indemnification under of this section may not be made by the Corporation unless authorized for a specific proceeding after a determination has been made that indemnification of the director is permissible in the circumstances because the director has met the standard of conduct set forth in Section 10.2.1.

(b) Such determination shall be made:

(i) By the Board by a majority vote of a quorum consisting of directors not, at the time, parties to the proceeding, or, if such a quorum cannot be obtained, then by a majority vote of a committee of the Board consisting solely of one or more directors not, at the time, parties to such proceeding and who were duly designated to act in the matter by a majority vote of the full Board in which the designated directors who are parties may participate;

(ii) By special legal counsel selected by the Board or a committee of the Board by vote as set forth in subparagraph (i) of this Section 10.2.4(b), or, if the requisite quorum of the full Board cannot be obtained therefor and the committee cannot be established, by a majority vote of the full Board in which directors who are parties may participate; or

(iii) By the stockholders.

(c) Authorization of indemnification and determination as to reasonableness of expenses shall be made in the same manner as the determination that indemnification is permissible. If, however, the determination that indemnification is permissible is made by special legal counsel, authorization of indemnification and determination as to reasonableness of expenses shall be made in the manner specified in paragraph (b)(ii) of this subsection for selection of such counsel.

(d) Shares held by directors who are parties to the proceeding may not be voted on the subject matter under this subsection.

Section 10.2.6. Payment of Expenses in Advance of Final Disposition of Action.

(a) Reasonable expenses incurred by a director who is a party to a proceeding may be paid or reimbursed by the Corporation in advance of the final disposition of the proceeding upon receipt by the Corporation of:

(i) A written affirmation by the director of the director's good faith belief that the standard of conduct necessary for indemnification by the Corporation as authorized in this section has been met; and

(ii) A written undertaking by or on behalf of the director to repay the amount advanced if it shall ultimately be determined that the standard of conduct has not been met.

(b) The undertaking required by paragraph (a)(ii) of this subsection shall be an unlimited general obligation of the director but need not be secured and may be accepted without reference to financial ability to make the repayment.

(c) The determination as to whether payment shall be made under this subsection shall be made as provided in Section 10.2.4.

Section 10.2.7. Indemnification of Officers. The Corporation shall indemnify and advance expenses to an officer, employee or agent of the Corporation to the same extent that it may indemnify and advance expenses to directors under this section.

Section 10.2.8. Report of Indemnification to Stockholders. Any indemnification of, or advance of expenses to, a director or officer in accordance with this section, if arising out of a proceeding by or in the right of the Corporation, shall be reported in writing to the stockholders with the notice of the next stockholders' meeting or prior to the meeting.
